Majid N

Software Developer with Expertise in Cloud Integrations and Full-Stack Development

📧 musthafamajid@gmail.com 📞 +91 8089332859

Professional Summary

Detail-oriented Software Developer with 3 years of experience specializing in full-stack development, cloud computing, and data integration. Proven ability to create scalable applications using .NET Core, .NET Core MVC, Python, and Azure Functions, with a strong track record in managing projects and mentoring junior developers to enhance productivity and skill growth.

Skills

.NET Core | .NET Core MVC | Entity Framework | ADO .NET | Python | HTML | CSS | Azure Functions | Web API | REST | PHP - CodeIgniter | SQL | SQL Server | Git

Professional Experience

Bimage Consulting

Software Developer | 2023 – Present

- **Designed and developed Azure Functions using Python and .NET Core** to seamlessly integrate Autodesk Construction Cloud (ACC) data into SQL Server, enabling advanced data visualization in Power BI.
- **Created a robust web application for data migration from BIM360 to Autodesk Construction Cloud,** utilizing .NET Core MVC, HTML, and JavaScript to ensure efficient and reliable data transfer.
- **Code Quality and Best Practices:** Followed industry best practices for secure and efficient API usage, including token-based authentication and error handling. Ensured code quality through rigorous testing, debugging, and version control using Git.

Firstlogic Metalab

Software Developer | August 2021 – April 2023

- **Designed and developed static websites and e-commerce applications** leveraging HTML, CSS, Bootstrap, and PHP (CodeIgniter) to deliver user-friendly and visually appealing solutions.
- **Created Web APIs and ERP modules** to streamline client workflows, enhancing data accessibility and integration for Android developers.
- **Supervised and mentored a team of junior developers**, effectively managing task assignments, fostering professional growth, and ensuring timely project delivery.

Education

Bachelor of Technology in Computer Science and Engineering

APJ Abdul Kalam Technological University | Graduated: 2021
